To: Secretary of the Navy

~~REVIEW OF NAVAL RECORDS~~

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 w/attachments  
(2) CNO memorandum 7220 Ser N130C3/02U598 of 29 October 2002  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show that when the Petitioner was reassigned from San Diego, CA to Singapore in July 2001 his travel was authorized at government expense.

2. The Board, consisting of Messrs. Milner, Pfeiffer, and Ms. Hare, reviewed Petitioner's allegations of error and injustice on 13 November 2002 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

a. The orders which reassigned Petitioner from San Diego, CA to Singapore in July 2001 were modified to read that government travel was "authorized" vice "directed". Petitioner will be reimbursed for no more that what the cost of travel from San Diego, CA to Singapore would have cost the US Government.

b. Petitioner was furnished a certificate of "non-availability" of a U. S. flag carrier.

(NOTE: Petitioner should go to the closest facility which can compute travel vouchers and ask them to compute monies due for this action. Petitioner must present to the Agency computing the money due a copy of all previous vouchers pertaining to his travel, a copy of the orders directing the Permanent Change of Station, and a copy of this action. **The agency making the computation will not make the actual payment.** Petitioner will then forward the computation of monies due, a copy of this letter and all other voucher and orders pertaining to the travel to DFAS-DE/POCC, 6760 E. Irvington Place, Denver, CO 80279-7100.)

c. That a copy of this Report of Proceedings be filed in Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
